Dear parents and carers,

As we approach the end of February it is good to see the school returning to normal activities.

Breakfast Club will begin on Monday 28th February at 7.45am. Children who arrive at school early can go to the Breakfast Club room and have breakfast or sit inside until there are more children in the yard.

We will be returning to whole school assemblies outside on a Monday 7th March at 2.30pm. Our 2022 SRC students have started planning the assembly agenda and are eager to get started. Parents are invited to attend.

We are very excited that our School Council has approved Tuesday 8th March to hold *Meet the Teacher Meetings*. Meetings will be held between 9.00am and 4:00pm and bookings will open on Compass on Monday morning.

There is no school for children on this day, **but children must attend the meeting with their parents.**

The meeting will allow children to share their learning goals, show their bookwork and for parents to ask questions and discuss their child's progress. Interpreters are being booked and we are aiming for 100% of families to attend. We will have Covid safe processes in place and ask that while you wait for your meeting please wait outside.

A reminder that RATs are available to be collected from the front office if you have not already done so. A second pack is also ready for collection. A reminder that the first bell goes at 8.35am and school begins formally at 8.50am. We have a new program starting in Grade 2 to develop phonemic awareness. This will help children with their reading and will begin at 8.50am. It is extremely important that children are at school on time to participate in this program.

At the end of the day, the bell goes at 3pm. There are teachers on yard duty until 3.15pm, and we ask that parents are on time to collect their children. If you think you are going to be late, please ring the school so we can keep your children at the office until you arrive.

I look forward to seeing parents at our outdoor assembly on Monday 7th March,

Leanne Lewis
