Dear Families

We are excited to announce that our toy library borrowing system will continue in 2016. A selection of toys and games will be available for you to support your child’s executive function skills at home (turn-taking, sharing, memory etc.) as well as developing your child’s mathematical and literacy skills and vocabulary development.

The library will be available for borrowing twice a week, both before and after school on Mondays and Thursdays. Families can join for $10 a term and are able to borrow two items per family per week.

Kind Regards

Broadmeadows Primary School

Please find attached my $10 (payable each term) for the family to join the toy library for 2016
