Dear Families

RE: ROAD WORK AND PARKING CHANGES ON BLAIR STREET

Hume City Council is excited to advise that construction has commenced on the *Meadowlink* linear shared path, situated on Blair Street.

As part of construction, we will soon commence road infrastructure realignments works to make it easier to cross Blair Street.

The proposed road works will include a new pedestrian crossing and refuge in addition to line marked bicycle lanes. Changes to existing car parking arrangements will also be introduced to ensure the visibility and safety of the new crossing. A 'No Stopping' zone will apply on both sides of Blair Street within 30 metres of this crossing.

The new parking arrangements will be implemented within the next three weeks.
