Coronavirus update from Victorian Education Department

If a staff member or student at your school is in one of the categories below, your school must contact DHHS for advice on what to do next.

Categories for contacting DHHS:

- The person is a confirmed case of COVID-19
- The person is a close contact of a confirmed case of COVID-19 in the past 14 days

‘Close contact’ is defined by DHHS as someone who has had at least 15 minutes of face-to-face contact with a confirmed case, or shared a closed space with someone for more than two hours with a confirmed case.

Good hygiene practices are the most effective means of minimising the spread of COVID-19. Unless a school has a student or staff member in one of the two above categories, no action is required.

Please inform the school immediately if you have had close contact with a person with the corona virus
