

Parent Information

Dear Parents,

In preparation for borrowing laptops and iPads, parents are asked to do the following:

- Read the Lease Agreement
- Read the Acceptable Use Policy

You will be asked to sign these when you collect a laptop/iPad.

Student laptops for **grades 3-6** will be ready for collection by **tomorrow afternoon**. Teachers will **notify parents via the Class Dojo App** when your child's laptop is ready to be collected.

If you do not have the Class Dojo App, please email the school at broadmeadows.ps@edumail.vic.gov.au so that your child's teacher can contact you.

Upon collection, you will be required to sign a lease form **BEFORE** collecting the device. Your child(ren) will have pre-installed software on the computer that will enable the online learning environment. When attending the school, please ensure that you are following the social distancing rules of 1.5 metres apart.

We do not have enough F – 2 iPads for all students. Families may need to share. These will be distributed later in the week.

Remote Learning.

Teachers have been working through the holidays to organise a website for student learning.

Years 3 - 6

For the beginning of Term 2, the grade 3-6 students will all need to access the following webpage: www.3-6bps.weebly.com

The year F – 2 students can access their learning via the following link:

www.F-2bps.weebly.com

Each day, new learning tasks will be released, covering Numeracy, Writing, Reading and Social Emotional Learning.

The tasks are differentiated according to need. Students will need to select activities that best suit their level of learning.

All work can be completed on paper or electronic means. They will only need to access the webpage via any portable device.

Students are required to submit their work via a photo on Class Dojo. They will receive feedback on their work, from their teachers. This feedback will be provided through a personal message.

Students are encouraged to seek help via the app through direct messages to their classroom teachers.

Teachers will be available for contact between the hours of 9am-4pm. Please allow some time for a response.

Please continue to check Class Dojo regularly for updates.

Thank-you, Leanne Lewis
