

# Remote Learning Timetable

Dear Parents/Guardians.

I trust that you and your family are all well, and taking good care of each other during this time. Thank you for your support as we transition to Remote Learning. I know that the teachers have been busily working away to support you in this process, and will continue to provide a caring and supportive role in your child's education. To assist you, we have put together a timetable to help your child with a daily routine. Please note that the timetable is a guide only. The F-2 and 3-6 Learning Portal on Weebly will have all the sections over the coming weeks.
