Dear Parents/Guardians.

We have just finished week four of Remote Learning, and hope that you are well and keeping safe. WOW! What a huge learning curve for all students, parents/guardians and staff. It sure has been a challenging time.

As a community of learners, we have definitely adapted to a new way of living and schooling. I am relying more on the school's Learning Behaviours than ever before. I know I have been more creative, engaged in problem solving, kept persisting, certainly thinking about my thinking, and communicating in different ways.

We are adjusting our practice weekly based on feedback from students, families and staff. The introduction to WebEx for the Grades 3-6, has seen teachers taking Literacy, Numeracy and Specialist lessons. For the Grades F-2, it's been wonderful to see all the comments, likes, messages, photos, emoji's and students' work.

A big thank you to the students, parents/guardians and staff for supporting this new way of teaching and learning. We acknowledge the work that parents/guardians are doing for this to occur. I hope that children are continuing to demonstrate our school values of Kindness, Respect and Learning Together while they are learning from home.

At this stage there is no change to what we have in place. That is, ALL STUDENTS WHO CAN LEARN FROM HOME MUST LEARN FROM HOME.

As each family's situation is different, it is important to establish a home learning environment and routine that suits your circumstances. It's also important that academic learning is also supported with physical activity. If you have any questions, please contact your child's teacher.

Regards,

Concetta Cerra

Acting Principal.
