Dear Parents and Guardians.

This week marked the first stage of students returning to on-site schooling. We welcomed back the Foundation and Grade 1-2 students. It was a lovely sight to see the children walking in with smiles and eagerly awaiting to see their teachers and friends. There were happy children in learning spaces as they returned back to face to face teaching. Children talking, laughing, reading, writing, counting, singing, working and playing was definitely a highlight of the week. To promote hand hygiene, Mrs Hurst made up a song and taught it to the children. It is a very catchy song. Ask your child to sing it at home. A huge thank you to parents for helping to protect the health and safety of our students, parents and staff. We acknowledge that Drop Off and Pick Up is different, and thank you for your understanding, co-operation and patience with the process.

Just a reminder:

- Students who are unwell **must** stay at home.
- Parents/Guardians are requested to refrain from entering the school unless necessary. Contact the school by phone where appropriate.
- All adults [Staff, Parents/Guardians] to observe physical distancing measures - 1.5m, by not congregating or lingering in areas around the school while picking up or dropping off children.

We are looking forward to the students in Grades 3-6 returning back to school on Tuesday 9<sup>th</sup> June.

Just a reminder that **Thursday 25<sup>th</sup> June** is a **Curriculum Day** for Parent Teacher Interviews. There will be **no** school on that day. More details to follow.

### **Hand Sanitiser**

As the school has hand sanitiser available for students to use, there is no need for your child to bring their own. We also encourage children to be washing their hands regularly with soap & water throughout the day.

### **Book Club**

Book club Issue 4, has been distributed to Grades Prep to 2 in Week 7 of Term 2. Please ensure orders are given to your child's classroom teacher on, or before Tuesday the 9<sup>th</sup> of June.

Thank you
