Monday 13<sup>th</sup> July – First day term 3

Dear Parents, Carers, Staff and Students,

School Council and the Department of Education & Training (DET) have been working together to identify a new principal to lead our school. Our comprehensive selection process has concluded and I am extremely pleased to announce that the provisionally appointed successful applicant is Leanne Lewis. As you know Ms Lewis was principal of Broadmeadows PS up until then end of term 1 this year.

The appointment of a new principal is an important and exciting time for our school. Ms Lewis brings a depth of knowledge and skills to the principal role, and a great passion for improving student outcomes. She is dedicated to Broadmeadow's continuing success and has shown throughout this process that she has the ability to fulfil the expectations of the community criterion developed by School Council.

On behalf of the School Council I would also like to congratulate Leanne Lewis on her provisional appointment as our school's new Principal. She will commence at the start of Term 3.

Yours sincerely,

Hanan El Hallak

**School Council President**
