****Foundation Enrolments 2021****

Do you have a child turning 5 years old
before 30th April 2021?

Please contact us ASAP to complete
their enrolment.
Thank you

Thursday 6th August

Dear parents and carers,

Stage 4 Lockdown restrictions are now in place and I encourage everyone to follow the guidelines and stay home. Stage 4 has been introduced to limit the movement of people and reduce the transmission of Covid-19.

At Broadmeadows Primary School we have been preparing for the next 6 weeks. The school will operate with the following restrictions until the end of Stage 4 Lockdown.

- 90% of staff will work from home to continue Remote Learning with students.
- Staff attending school will carry travel permits.
- Parents are asked to forward all questions to their child's teacher via Dojo.
- Technical assistance will only be available on Wednesday by appointment.
- No visitors will be allowed on-site unless prior arrangements are made.
- Tomorrow is the last day that parents will be asked to collect F – 2 packs. The work you collect will cover the next weeks so please keep it in a safe place.

Parents are allowed to collect school packs under Stage 4 lockdown restrictions. Official documentation states.

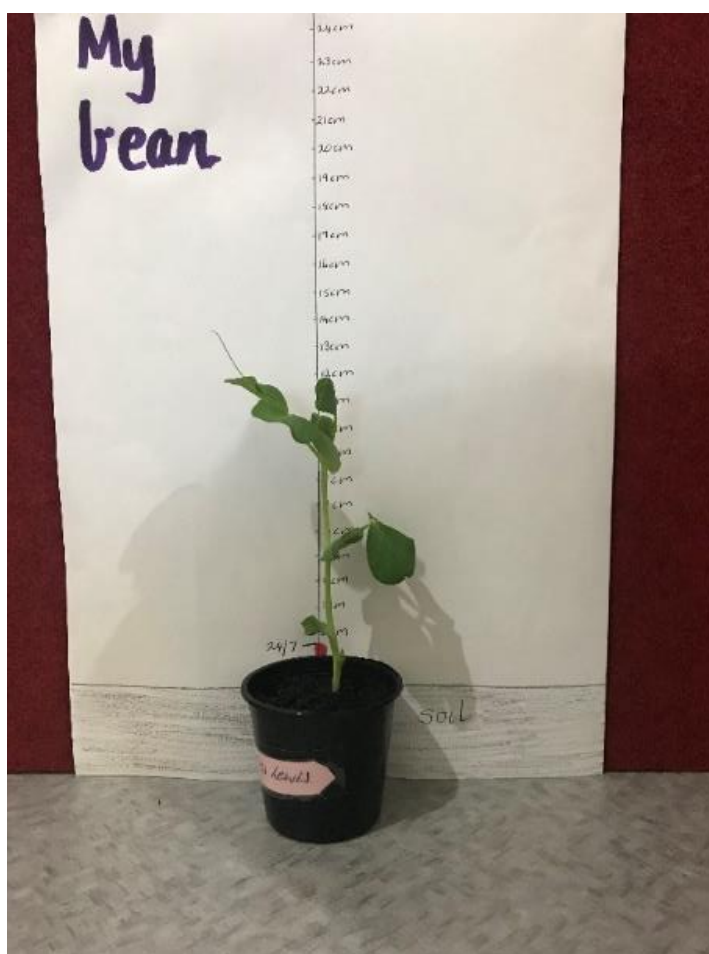

For education settings attendance on-site in these settings will be permitted where the purpose is to: provide practical student support, where this cannot be done remotely.

Laptops and iPads must be cared for at all times

We have had many damaged devices because of drink spills, broken screens and keys being deliberately removed. These are expensive repairs and will not be fixed until a technician is available on Wednesdays.

Please keep computers in a safe place, away from younger children and not on the floor.

Week 3: My bean measures 15cm

To all our families in the BPS community we wish you good health, happiness and patience over the next 6 weeks. We miss you.

Stay safe,
Leanne Lewis
Principal
